

REMARKS

Applicants have amended the specification to add an Abstract of the Disclosure to the application.

Applicants are submitting herewith a copy of the Search Report which issued on International Application No. PCT/KR03/01526, of which the present application is the U.S. national phase. All of the publications cited in the International Search Report are listed on the attached Form PTO-1449. It is Applicants' understanding that, under the procedures of the PCT, copies of the cited publications will have been supplied to the U.S. Patent Office by the International Bureau. However, Applicants submit herewith copies of the English Abstracts for the Examiner's convenience. However, the Examiner is invited to contact the undersigned attorney if additional copies are necessary or would facilitate examination of the present application.

Otherwise, the Examiner is respectfully requested to return an initialed and dated copy of the attached Form PTO-1449 to confirm that all publications listed thereon have been considered and made officially of record in the file of this application.

Applicants understand that, under the procedures of the PCT, a copy of the priority document (KR 10-2002-0044921, filed July 30, 2002 and KR 10-2002-0058158, filed September 25, 2002) will have been supplied to the U.S. Patent Office pursuant to Rule 17 of the PCT Regulations. It is therefore respectfully requested that the first Official Action in the present application contain an indication that the appropriate priority documents are in the file of this application.

U.S. National Phase of PCT/KR03/01526
Preliminary Amendment dated: January 28, 2005

In view of the above amendments, an early action on the application is now in order and is most respectfully requested.

Respectfully submitted,

BACON & THOMAS, PLLC
